

CODE OF CONDUCT

One of the basic elements of education is self-discipline. You learn to control your own mind so that you do the thing you should do, not the thing you want to do!

A high standard of self-discipline is required from all pupils. You are expected to take responsibility for your own actions and to show courtesy and respect to staff, visitors and to one another.

Uniform must be clean and tidy at all times and long hair must be tied back.

Pupils must not enter classrooms unless directed to do so by a teacher.

Always pay careful attention during lessons and do not allow your mind to wander.
